

You Want to Make More Money.

We Want that for You Too!

Wilkinson wants to reward you for doing a Good Job.
Here are five ways we've found to say thanks:

Attendance

Attendance is rewarded with pay increases after every 30-days without late shows or call-offs.

Meritocracy

Quarterly bonuses are given to Associates who demonstrate exemplary **performance** on their own merits.

Safety

Wilkinson will announce the Annual **BeWare** Award at our Hats Off Gala. It comes with a trophy, \$500 check, and bragging rights.

Tenure

Time is money and your time is no exception. For that reason, we will give you a pay increase every year you're with us. Guaranteed.

Referrals

Our best Associates are people you know. So **bring a friend** to work and we'll give you \$100 after they finish 90-days.

A Good Job Deserves to be Rewarded the
Wilkinson Way.
